

Cowboys visit for good pupils

A GOOD school attendance record and exemplary behaviour earned eight Wujal Wujal children a weekend trip to see their rugby league heroes.

The youngsters travelled from south of Cooktown, to Townsville to watch the Cowboys take on the Penrith Panthers on Saturday night. The CAPE Police Citizens Youth Club selected the children because they had met their 80 per cent attendance record at Bloomfield State School and had been well-behaved.

The incentive program aimed to improve the grades of children in communities and curb problems such as truancy and juvenile crime

Winners all: Going to school on a regular basis had its just rewards for these youngsters.
